

The following corrections have been made to the online application, and are provided here as Errata to the Sustainable Communities Planning Grant and Incentive Program Request for Proposals with Guidelines November 2011.

These changes correct the order of Priority Consideration questions on pages 28 and 29 of the guidelines.

Step 3: Priority Considerations Please describe how the proposed project addresses the following priority consideration:

- | | |
|---|---|
| 1 | Proposed project demonstrates ongoing collaboration with state, regional and local, public and private stakeholders and community involvement (<i>include in work plan</i>). |
| | a. Describe tasks undertaken by all entities involved in the work plan. (<i>maximum of 2,000 characters</i>) |
| | b. Describe how other entities will be engaged in the development and/or implementation of the proposed project (e.g., local governments, state entities, designated Catalyst Projects, COGs, MPOs, transit agencies, health agencies, air districts, local businesses, landowners, general public, environmental groups, low income households and/or groups that represent them, etc). (<i>maximum of 2,000 characters</i>) |
| | c. Describe how the community will be engaged in the planning process. (<i>maximum of 2,000 characters</i>) |
| 2 | Proposed project addresses climate change impacts. |
| | a. Identify the potential climate change impacts on the population, or human or natural areas, or systems most vulnerable to those impacts within the planning area. (<i>maximum of 2,000 characters</i>) |
| | b. How will the proposed project improve adaptation to the impacts for these populations, human or natural areas, or systems? (<i>maximum of 2,000 characters</i>) |
| 3 | Proposed project demonstrates strategies or outcomes that can serve as best practices for communities across the state. <i>Note: projects funded by the grant will be posted on the Strategic Growth Council website.</i> |
| | a. Does the proposed project include tools or processes that could easily be accessed and used by other government agencies to develop plans or strategies for sustainable communities? (<i>maximum of 2,000 characters</i>) |
| | b. How will your agency promote and share the proposed project information, tools or processes? (<i>maximum of 2,000 characters</i>) |

- 4 Proposed project is leveraged with additional resources, in-kind or funds. Identify in budget. ([sample in Appendix D](#)).

a. Identify funding sources and amount already committed to the proposed project and expected timing of funds. Detail whether funds are in the form of cash contributions, in-kind services, volunteer effort, donated labor or materials, technical expertise, etc. *(maximum of 2,000 characters)*

b. Identify potential future funding sources and the amount expected to be committed to the proposed project. Detail whether funds are in the form of cash contributions, in-kind services, volunteer effort, donated labor or materials, technical expertise, etc. *(maximum of 2,000 characters)*

- 5 Proposed project serves an economically disadvantaged community.

a. Describe the unique challenges faced by the economically disadvantaged community, or severely economically disadvantaged community ([see Glossary](#)), that this proposed project seeks to serve. Please refer to the [CA State Parks' Community Fact Finder](#) for assistance. *(maximum of 2,000 characters)*

b. How will this proposed project specifically work to address these challenges and improve the quality of life for residents in the targeted community ([see Glossary](#))? *(maximum of 2,000 characters)*

c. Discuss how the economically disadvantaged community has been and will continue to be engaged and participatory in the development of the proposed project. *(maximum of 2,000 characters)*

d. Describe the indicators that will be used to measure the benefits to the EDC. *(maximum of 2,000 characters)*
